| 09/15/2023 | NHTSA-230918-002 | Aamot, Colin | - | <p>Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Records sufficient to identify all employees who entered into a position at the agency as a Political Appointee since January 20, 2021, to the date this records request is processed, and the title or position of each employee (to the extent that individuals have held multiple positions during this time period, identify each title or position and the time period it was held). Records sufficient to identify all career employees who, between January 20, 2021, and the date this records request is processed, have been detailed to 1) a position eligible to be filled by a Political Appointee, or 2) a new position through coordination or consultation with either the White House Liaison or Presidential Personnel Office; the title or position of each employee while on detail; and each employee's originating agency or component, and prior title. For each individual identified in response to Requests 1 and 2 provide 1 The resume provided by the individual to the agency in connection with determining the appropriate salary for the individual, or if that is not available, a recent resume contained within the agency's records. I no objection to the redaction of employee's contact information, such as email, address, phone numbers etc.; however, prior employment, education, and descriptions of such experiences are not exempt and should be produced. 2. Any waivers issued to the individual pursuant to 18 U.S.C. § 208(b). 3. Any authorizations for the individual issued pursuant to 5 C.F.R. § 2635.502. 4. Any Ethics Pledge waivers, issued pursuant to Section 3 of Executive Order 13989 and Office of Government Ethics Legal Advisory 21-04, received by the individual. 5. Any ethics agreement executed by the individual; any Certification of Ethics Agreement Compliance; and any records relating to any violation by an individual of his or her ethics agreement. 6. Records reflecting any recusal determination made or issued for the individual. 7. Copies of any SF-50 forms for the individual reflecting any change in position, title, or salary, including when the employee starts or leaves a position. 8. Completed Ethics Pledge for each individual. Definitions For the purposes of this request, "Political Appointee" means any person who is employed by the Department who is: 1) Presidentially Appointed and Senate confirmed (PAS); 2) Presidentially Appointed (PA); 3) in a non-career Senior Executive Service (SES) position; 5) a</p> |

| 09/28/2023 | NHTSA 230928 003 | Aamot, Colin | - | Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: All Records Management Self Assessment (RMSA) reports generated or submitted to the U.S. National Archives and Records Administration (NARA) for the past 7 years (if not already in the public record and released at https://www.archives.gov/records_mgmt/resources/saorm-reports), as well as any supporting documents such as, but not limited to: new organizational charts due to reorganization or other circumstances, updated policies on records management, new policies or frameworks regarding information governance, et cetera. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). To further narrow down the scope of the request, the requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative journalist and author, my request is in the public interest to inform the public. I would draw your attention to the memorandum, released March 15, 2022 that requires both agencies adhere to proactive disclosures for "records that have been requested three times or more, or that have become or are like . . . The description has exceeded the character limit. |
