

Community Traffic Safety

Coalitions and Partnership Directory

From the 2014 Coalitions and Partners Database

2014

This document was developed by the national Community Traffic Safety Resource Center for the National Highway Traffic Safety Administration.

The Resource Center serves as the national portal for the distribution of information about NHTSA's priority programs, provides coalition building training, workshop presentations, newsletters, maintains a national database listing of community traffic safety coalitions and partnerships for networking and sharing of best practices.

To get more information on Community Traffic Safety contact your NHTSA Regional Liaison listed in this directory.
